

Campaign Reflection: GAZA FROM TYRANNY TO TRIUMPH

السَّلَامُ عَلَيْكُمْ وَرَحْمَةُ اللَّهِ وَبَرَكَاتُهُ

Alhamdulillah, during this month, we conducted a campaign across Muslim-concentrated areas in Chicago, Dearborn, Indianapolis and Columbus, OH on the ongoing genocide in Gaza. Our goal was to clarify that the only true solution lies in the movement of the Muslim armies to liberate the blessed land of Palestine, the land of al-Isra' wal-Mi'raj, sanctified by Allah and watered with the blood of the Prophets and martyrs. The campaign was also to raise awareness of the party, its ideas and methodology.

We also reminded our community that the current “ceasefire” and political agreements are merely illusions of peace. History bears witness that these so-called truces never end the suffering of our people; rather, they only give the oppressors more time to strengthen their grip and resume their crimes. True peace will only return when justice is restored through Islam, and when the Ummah reclaims its rightful position as the guardian of truth and mercy among nations.

Our young men, may Allah (SWT) bless them, represented this message with honor and dignity. They engaged Muslims and non-Muslims alike with wisdom, patience, and deep understanding, conveying the Islamic perspective with clarity and sincerity. Their discussions were respectful yet firm, rooted in the Qur'an, Sunnah, and the reality of our Ummah's struggle. Through these interactions, they gained valuable experience in articulating the Islamic viewpoint on global issues, answering doubts, and connecting hearts to the vision of an Ummah united under one banner and one leadership.

This type of grassroots community engagement lies at the very heart of carrying the *da'wah*. It connects us directly to our people, allowing us to listen to their concerns, address their questions, and build trust and brotherhood. Every conversation plants a seed; every encounter strengthens the bridge between those who know and those who seek to know. It is through these sincere efforts that Allah (SWT) opens doors, increases our understanding, and brings us closer to fulfilling our noble mission.

May Allah (SWT) reward everyone who took part in this campaign, from those who planned and organized it, to those who stood in the streets and spoke the truth with courage. May He (SWT) reward even those who longed to participate but were unable, for indeed intention is the foundation of all deeds.

We urge our brothers and sisters to continue stepping forward and carrying this noble message. Each campaign and every effort is a step in reviving the Ummah's awareness and confidence in Islam as a complete way of life. Together, we are rebuilding the consciousness of a nation that once carried light to the world. Let us continue to be the voice of truth, the ambassadors of Islam, and the bearers of this prophetic mission until Allah (SWT) grants victory to His Deen and unites this Ummah under one banner once more.

وَلَيَنْصُرَنَّ اللَّهُ مَن يَنْصُرُهُ ۖ إِنَّ اللَّهَ لَقَوِيٌّ عَزِيزٌ

“And Allah will surely support those who support His cause. Indeed, Allah is Powerful and Exalted in Might.” (TMQ Surah al-Hajj 22:40)
